Subject: Department of Ecology Variance Workshop

Department of Ecology Variance Workshop

The Department of Ecology is hosting a one day public workshop to share information on the potential use of PCB variances for five Spokane River dischargers. We are sending out this message to share the workshop agenda and to let you know we have updated the start and end time of the workshop

Meeting information:

What: Workshop on PCB Variances for Spokane River Dischargers

When: November 14, 2019, from 9:00 a.m. – 3:30 p.m. (note time change)

Where: CenterPlace Regional Events Center, 2426 N Discovery Place, Spokane Valley

Attend in person:

CenterPlace Regional Events Center
2426 N Discovery Pl, Spokane Valley

Attend via webinar:

Register for the webinar at <https://bit.ly/32EddUp>

New:

- The time for the workshop has been expanded to go from 9:00 a.m.–3:30 p.m.
- **View the workshop agenda.**

Questions about this workshop? Email Susan Braley or call 360-407-6414.

Visit our rulemaking page to learn more about the proposed PCB Variances for the Spokane River.
